Candidate's Statement

I started my involvement with QUFA in 2014 as the School of Music representative on QUFA Council and have continued since then to serve in that role, now as the Dan School of Drama and Music representative. My interest in QUFA work and in part-time faculty working conditions lead me to take on the position of Continuing Adjuncts representative on QUFA Executive Committee in 2018 for two terms. I would be happy to continue to serve on the Executive Committee as Secretary. My strong interest in the different aspects of faculty union role, my ability to stay concentrated and to follow conversations, my aptitudes in clear note taking and my attention to details – many of these skills coming from my experience as a classical musician and as a translator – make me an excellent candidate for this position. I look forward to undertaking the challenging responsibilities of QUFA Secretary and of an Officer of the Association.
